Dear Mr. Dutcher:

Pursuant to the provisions of Section 6203, Chapter 442, Volume 55, Laws of Delaware, and by approval of the Delaware Water and Air Resources Commission on October 14, 1968, permission is hereby granted for the operation of a sanitary landfill on Route #395, east of the Maryland line, New Castle County, Delaware in accordance with the report submitted in support of the application for permit. These supporting items are listed in Appendix A of this permit and are made a part thereof.

This Certificate of Approval is issued subject to the following conditions:

1. This operation shall be conducted in accordance with the report described above.
2. Representatives of the Water and Air Resources Commission may, at any reasonable time, inspect this operation.
3. The operation of the landfill shall, at all times, be in such a manner as not to cause air pollution from open burning or cause offensive odors which interfere with the enjoyment of life or property and are detectable in areas of human habitation or public use.
4. The face and top of the individual lifts shall be compacted and covered daily with a compacted layer of at least six (6) inches of suitable cover material.
